### **Worthy Cause:**

Over the past 14 years, EDI has raised \$195,000 through this event. In 2020, we are targeting \$26,000 to help individuals and families recover from the devastating effects of substance use disorders. The toll of substance use disorder in our community has increased dramatically over the past few years. In 2019, there were at least 109 confirmed fatal overdoses reported in Berks County alone. We cannot continue our fight against this epidemic without the help of people like you.

We are respectfully requesting your support for this special event. You will find a list of available sponsorship and participation opportunities in this brochure. This is a wonderful opportunity for EDI and the community to come together for a common goal and worthy cause.

We appreciate your generous support and wish to thank you in advance for your time and consideration.
